

ADULT ENRICHMENT

LEARN *Something New!*

Has learning a second language or improving your vocal talents always been an itch you've wanted to scratch? Now is as good a time as any to try an adult enrichment course, with plenty of new programmes being launched in August and September. Here's a snapshot of a few options around town.

Spanish & Coffee

Las Lilas School's intriguingly named "Spanish & Coffee" course is tailored for students who are interested in approaching Spanish language learning in a more relaxed way – and in a completely Spanish environment.

The module is 20 hours long – 10 sessions of two hours each, with a break in between where you can enjoy a coffee and some Spanish nibbles. Part of the course is focused on Spanish teaching and learning, while another part of each lesson looks at the Spanish culture and way of life.

Las Lilas offers Spanish language classes at all levels, from beginners to advanced.

Special offer!

Spanish & Coffee launches this month (once four or more students have enrolled), and Las Lilas School is offering a special promotional discount of 10 percent off for *Expat Living* readers who register during August or September.

(Total cost: \$356; regular price: \$395.)

Las Lilas School is at 180B Bencoolen Street.
